

AMENDED IN ASSEMBLY APRIL 22, 2003

CALIFORNIA LEGISLATURE—2003–04 REGULAR SESSION

ASSEMBLY BILL

No. 131

Introduced by Assembly Member Jerome Horton

January 16, 2003

An act to amend Section 12012.75 of the Government Code, relating to tribal gaming, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 131, as amended, Jerome Horton. Indian tribes: tribal-state gaming compacts.

Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain gaming activities on Indian lands within a state. Existing California law expressly ratifies specified tribal-state gaming compacts and creates the Indian Gaming Revenue Sharing Trust Fund, a special fund within the State Treasury, for the receipt and deposit of moneys derived from gaming license fees paid pursuant to the terms of the gaming compacts. Under existing law, moneys within the Indian Gaming Revenue Sharing Trust Fund are available to the California Gambling Control Commission upon appropriation by the Legislature for the purpose of making distributions to noncompact tribes.

This bill would instead continuously appropriate moneys in the Indian Gaming Revenue Sharing Trust Fund to the California Gambling Control Commission for the purpose of making those distributions. *The bill would also require the Legislative Analyst to review the management and disposition of the Indian Gaming Revenue*

Sharing Trust Fund and report the findings to the Legislature by January 31, 2005.

Vote: majority. Appropriation: yes. Fiscal committee: yes. State-mandated local program: no.
